

Average Published Tuition and Fees at Four-Year, Nonprofit Private Colleges, 2009-10

Source: AIKCU average from internal survey. Southern and National averages from the College Board's *2009 Trends in College Pricing* (http://www.trends-collegeboard.com/college_pricing/)

Notes: All figures are published tuition and fees. Few students actually pay this amount after financial aid awards. If Berea College is excluded from calculation, AIKCU average = \$18,959.
