Individual Nominating	Corrine Bolt
Award for Nomination (please circle one)	<p>Best New Campus Application</p> <p>Best Student Online Service</p> <p>Most Successful IT Infrastructure Project</p> <p>Most Innovative Use of Technology for Instructional Purposes</p>
NOMINEE DESCRIPTION	Retention Alert is an add-on from Datatel for our Colleague system. It seamlessly integrates with Colleague and allows faculty, staff and other students to inform us when a student has problems that could cause them to leave the institution. It tracks and communicates with the appropriate personnel so they may take action(s) to prevent students from leaving.
JUSTIFICATION FOR AWARD	We just rolled it out in February and the response from the users has been great. We've had a total of 265 cases entered by 17 different individuals so far. Our users love it and are using it to aid our students.
BENEFITS	It has allowed us to stop students from leaving because we can intervene in a timely manner. It also allows us to reduce our students stress levels by quickly providing help such as tutoring, financial aid, mentoring, etc...
ADDITIONAL COMMENTS	It's a great system that's very flexible. We use it to track many different areas of concern and to track student achievements like high GPA.

Activities relating to the applicant nomination should have occurred during the last 12 months.

You may use additional paper if needed.

Thank you so much for your time and consideration.

The nomination forms can be submitted electronically to me or via mail to the AIKCU office.

All submissions are due by COB August 15.
